FURTHER and abundant cause for complaint at the handling of the mails between Montpelier Junction and the Montpelier post-office was seen in the negligence by post-office was seen in the negligence by which the mail from the south yesterday afternoon was permitted to remain in the car upon its arrival here, resulting in its being carried to Barre by the 4:10 train. Its receipt in Montpelier at any time Tuesday was only through the courtesy of Barre officials, who sent it down in a team, and even then it arrived nearly two hours late. It is high time that some properly authorized person should investigate the cause of repeated annoyance from this source and take measures to assure less of it

widely-known business men and a life-long resident. Almon Ainsworth Mead, born in Montpelier December 24th, 1823, was a son of the late Joel and Lucy Langdon Mead, and one of a family of seven children. His excellence as a jeweler, in which business he had always been en-gaged, was largely due to his experience during an apprenticeship at the trade of seven full years with Ira S. Town. In 1848 he began in business for himself as a mem-ber of the firm of Witherell & Mead, and at the time of his death he had been in busi-ness longer than any other merchant in Montpelier still in active service, with one possible exception. Among business men he was generally esteemed, and he held the enviable reputation of being one of the very best buyers in his line of any man in Ver-mont. The familiar title affixed to his name followed him from boyhood, when he was distinguished by being made captain of a juvenile militia company, which was then the pride of the town. He was a stanch democrat and was prominently before the people as a candidate for the office of postmaster at Montpelier during the recent unavailing contest for that office. His last illness, which was in the nature of inflammation of the bowels, was of brief duration and his death was not unexpected. Three daughters and one son are by it called to moure the loss of a fond and indulgent was distinguished by being made mourn the loss of a fond and indulgent father. Two brothers residing in the West and a sister, Mrs. H. S. Boutwell of Montpeller, also survive him. Funeral services, held at the house yesterday afternoon at four o'clock, were conducted by Rev. J. Edward Wright, and the interment followed

at Green Mount cemetery. REAL sorrow pervaded this community on Saturday evening last at the announcement of the death of Mahlon Cottrill Kinson, which occurred at five o'clock in the afternoon of that day. Mr. Kinson was born in Montpeller October 28, 1843, and in this immediate vicinity he had always had his home, having been most of the time a resi-dent of Montpelier village. He learned the plater's trade of Keith & Peck, and in early bood went into partnership with Mr. Flanders, and later became the junior member of the well-known firm of Fisher Colton & Kinson. Failing health compelled him to dispose of his interest in the business in the fall of 1876. A year of rest served to greatly improve the condition of his health, and in 1877 he was appointed to be station agent at Barre, holding the office until the time of his death. He was always a superior time of his death. He was always a superior accountant and held several offices of trust accountant and held several offices of trust in which this faculty had constant exercise. A Christian from boyhood and a faith-ful member of Bethany church, he was librarian of its Sunday-school for fifteen years and connected with the choir for nearly twenty years. He was also a member of the Maganic Faternity. Mr. Kingen parnearly twenty years. He was also a member of the Masonic fraternity. Mr. Kinson married Frances A. Bickford October 2d, 1866, and to her heart his "going hence" brings its greatest load of sadness, while his sister, Mrs. Ellen Swift of Boston, and one brother, W. H. Kinson of Brattleboro, share in a great measure her burden of grief, An older brother—Benjamin—died in the An older brother-Benjamin-died in the army. The long illness from which death could afford release was borne tiently, and the last two weeks of his life were full of comfort for bereaved friends because of the sick man's remarkable cheerfulness and peace of mind; and they were permitted to realize in all its truth permitted to realize in all its truth "how blest the righteous when he dies." The last sad rites occurred yesterday afternoon at two o'clock and were conducted by Rov. Mr. Hincks. Green Mount cemetery was Mr. Hincks. Gree the place of burial.

THE observance of Children's Sunday in

Montpelier was more general this year than at any previous time, and preparations were more than usually elaborate. The morning service at Bethany church opened with a processional, members of the Sunday-school, to the number of one hundred ninety, marching from the chapel to seats reserved for them in the body of the church, and singing them in the body of the church, and singing "Onward, Christian Soldier "as they went. The rite of baptism was administered to thirteen small children, to each of whom was presented at the same time a beautiful Bible. The subdued chanting by the choir during this service rendered it doubly impressive. At its close the pastor preached a brief sermon especially prepared for the children. A children's concert took the place of the usual Sunday evening service at this and the Methodist and Unitarian churches, recitations, declamations and J. W. Brock has sold his coal business to F. R. Stevens, who has recently disposed of his beer-bottling interests to a Woodsville, N. H., firm.

Grooks W. Wixo, Eq., F. H. Bascom, Rev. H. F. Hill and C. H. Heaton were in Burlington yesterday attending Masonic anniversary exercises.

The Washington County Conference was held here last Tuesday and Wednesday, June 7th and 8th, as reported last week. Many able speakers were present, and the meetings were very interesting and in-structive. Rev. Messrs. Hincks of Mont-pelier, Hazen of Northfield, Sheldon of

Waterbury, McMillan of Barre, Smith of Warren, Ramage of Royalton and Mr. Headly, a gospel worker from Massachusetts, made up a list of gentlemen of exceptionally fine talent. The ordination of Mr. Hall the last afternoon was a very beautiful and impressive ceremony. Mr. Hall was installed as paster of the Congregational church here, with great satisfaction to the people, as he is a very carnest worker and is doing good pastoral work.

——The services on Children's day were remarkably fine. The absent ones missed a rare treat. The church was decorated with evergreen and flowers, and the exercises showed good talent and good training. One hundred sixty-three persons were present. ——The bridges have been repaired on the hill near Eleazer House's, and the road is now passable. ——The young people of Berlin for the past twenty-five or thirty years have made their debut by getting up a ride to Williamstown Springs, and this year seems to be no exception to the old time-honored custom, as quite a party of youngsters have planued to take in the romantic scenery and drink their full of the sparkling water on Saturday next. We wish them much joy. ——As Clark Stewart was coming down a steep hill with a large load of logs his wagon-pole broke and let the load on to his horses, which made lively work for a few moments, but the wagon ran against a tree and stopped, with only slight injury to one horse. ——Colonel Fred E. CHILDREN'S DAY was duly observed at both churches. The arrangements and decorations were fully up to those of former decorations were fully up to those of former years. The speaking and singing were good, and showed that the superintendents and teachers are worthy of credit for their untiring efforts to make the day profitable and interesting. At the commencement of the afternoon services at the Congregational church five children received the ordinance of baptism by the pastor, Rev. H. A. Russell. — The officers appointed by the assistant judges of the county court—Hon. W. H. Dwinell, Hon. Willard Martin and Levi Pitkin, Esq.—to appraise the Hon, W. H.
